7	3	35	10.866.666,79				
7	4	5	609.063,15				
7	5	4	62.381,44				
7	6	7	1.628.245,59				
7	7	32	6.871.062,09				
7	8	46	18.195.485,10				
Total		188	42.558.585,14 €				

Regarding the planned payments from the IPARD II Program, we inform you that it depends on the dynamics of concluding agreements and realization of the investments from the recipients, i.e. according to previous experience it is expected that in 2018, the Agency would pay a total of around 4.6 million Euros for co-financing, and the rest during 2019 and 2020 in line with the deadlines for the realization of the investments.

Sector for on-the-spot Control has performed one on-the-spot control prior approval under the Call for Applications 17/01, at investment from Measure Investments in physical assets concerning processing and marketing of agricultural and fishery products. The applicant is with ID number 1701130201007 from Prilep. The investment refers to purchase of meat processing equipment. The control was carried out on 17.11.2017. Preparations are under way to carry out on-the-spot controls prior approval for 14 applications for which requests for on-the-spot control prior approval have been received from SOP. All investments are under Measure Investments in physical assets of agricultural holdings related to purchase of agricultural machinery and equipment.
